

SAUDI TRADE & HALAL | U.S. GOVERNMENT SUPPLY

Punxsutawney Integrated Partners LLC (PIP) coordinates buyer requirements, supplier review, documentation, commercial terms, and delivery planning. We connect Pakistan-origin supply with Saudi buyers and develop sourcing options for U.S. government requirements.

SAUDI-PAKISTAN TRADE

Pakistani food and industrial sourcing for Saudi buyers.

- Chilled halal beef (half carcass) and Pakistani rice.
- Talc, calcium carbonate, silica sand, and barite.
- Workwear and uniforms: qualification in progress.
- Supplier and product-document review; applicable halal, export, and cold-chain requirements.
- Quotes cover quantity, freight, timing, responsibilities, and payment terms.

U.S. GOVERNMENT SUPPLY

Requirement-specific sourcing for DLA and federal industrial products, equipment, and supplies.

- NSN, manufacturer, exact part number, and source-restriction review.
- Supplier quotations and source traceability.
- Origin, packaging, documentation, freight, and lead-time review.
- Commercial completeness and solicitation eligibility checks.
- Bid preparation subject to verified registration and owner approval.
